METALLIC

60% PES . 40% PA

The desire to create a sensation.

Here it is! Just what you've been waiting for. The thread for special effects. When it comes to heraldry, festive embroideries and decorative stitching, Mettler Metallic embroidery thread is simply the jewel in the crown.

Its brilliance cannot be ignored. It puts the spotlight on those special details in your work with a vibrant play of light and shadow that gives your

creations a surprising 3-D effect. One that lasts. After repeated washing and ironing, the colors lose none of their intensity. Mettler Metallic is extremely manageable – and thanks to optimal flexibility, simple to work with, too. So go on! Let your embroidery steal the show. With Mettler Metallic.

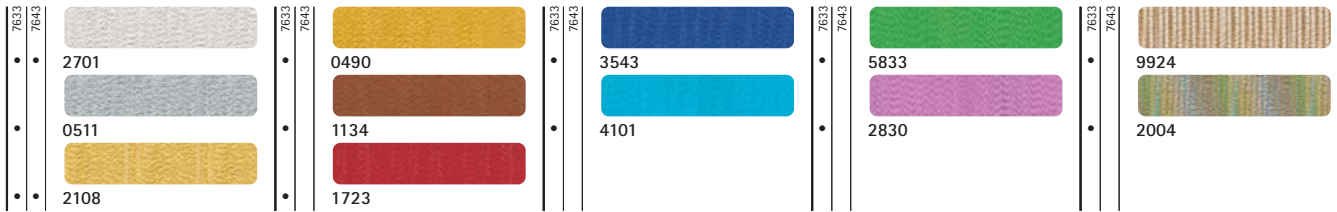

For information on spool sizes see on reverse.
